Peer-reviewed, quality OER
$1,200

Average per year cost for textbooks and supplies

Fixing the Broken Textbook Market report by U.S. PIRG Education Fund January 2014
48% of all students surveyed said that the cost of textbooks impacted how many/which classes they took each semester.
65% of students said that they had decided against buying a textbook because it was too expensive.
Meeting the OER Challenge

Ease of Use
• Make it **EASY to find and use the materials**

Free is not Enough
• Establish development models to ensure quality

Scope and Sequence
• Develop resources to support existing curricula

Essential Learning Resources
• Partner with groups that can enhance content
